

PIMA Music Camp Scholarships

\$100

1. PIMA recognizes the positive impact attendance at a summer music camp can have on individual musical development and on the instrumental music program as a whole. As such, we are offering a limited number of \$100 dollar scholarships to encourage and make more accessible attendance at such camps.
2. The candidate must show proof of acceptance and payment to an approved summer music camp (such as Blue Lake, Interlochen, University of Illinois, or other similar “away” camp). If you have not paid yet, an acceptance letter will be sufficient for this application.
3. The candidate will participate at camp on their primary band, jazz band or orchestra instrument.
4. The candidate agrees to remain in the Roosevelt band or orchestra for one full school year following the awarding of the scholarship.
5. The PIMA Scholarship can only be used only to defray the cost of tuition/enrollment fees at the camp.
6. The number of available scholarships is limited and will be awarded at the sole discretion of the PIMA board.

Please include evidence of acceptance to an “away” summer music camp with this application. If available, also please include a receipt for payment. Once awarded, The PIMA scholarship will be disbursed directly to the student/family within 30 days of receiving a receipt showing payment to an approved summer music camp. Receipts turned in over the summer months may not be responded to until the next school year resumes.

Application deadline: May 1, 2015

Audition date (if needed): June 3, 2015
